

SCHOLARSHIP APPLICATION

The scholarship fund's resources are limited; therefore greater priority is given to applicants whose need is deemed greatest. While all factors will be taken into consideration, the scholarship fund is not designed to help alleviate the pressures of a tight budget, but rather to help make the program affordable for those who have no access to the total tuition fees. It is strongly recommended that you include all pertinent facts and information in your application so that your situation can be evaluated upon the basis of all relevant factors.

Please note that the application must be filled out completely and that you must include a copy of your most recent tax returns; any application arriving incomplete or without tax returns will not be considered.

IMPORTANT NOTE

Submission of a scholarship application represents a request for scholarship assistance; it does not guarantee the granting of the request.

All information provided in this scholarship application will be kept in the strictest confidence, limited to the evaluation committee the scholarship fund.

If the natural father or mother of the child for whom the scholarship is being requested not listed below, please submit a separate application for the natural parent or explain why the natural parent is not contributing towards the child financial support. If you have any questions or difficulty regarding this form please contact the Yeshiva administrator at (818) 831-3000 or email at info@jetsschool.org

SCOLARSHIP RAFFLE FUND

In addition to the total amount of tuition you pay, if you qualify for any scholarship, you will need to sell raffle tickets totaling \$1000 (tickets will be anywhere between \$72 and \$100 each).

All items must be filled out completely or the application will be denied. You must also submit your most recent signed federal Income Tax Form including all schedules or the application will be denied. Please give all amounts in US Dollars.
